

**INVESTMENT OBJECTIVE AND STRATEGY**

Talson Discover Qualified Offshore Fund, Ltd. (the “Fund”) seeks to achieve attractive, risk-adjusted returns, via a multi-manager portfolio investment approach, while preserving capital and maintaining low correlation to market indices. The Fund allocates to carefully selected, independent investment funds and seeks diversification through a combination of investment advisers employing a wide range of investment strategies. Strategies include, but are not limited to, long/short and other equity strategies, fixed-income, futures, options and other derivative instruments, currencies, international investing, distressed securities, arbitrage, special situations, global macro, direct lending and private credit. In addition, the Fund seeks to identify, and may include, smaller funds employing unique strategies developed by undiscovered managers.

### **GENERAL INVESTMENT FUND RISK DISCLOSURE**

TDQOF is an unregistered private investment partnership that is NOT subject to the same regulatory requirements as mutual funds, including mutual fund requirements to provide certain periodic and standardized pricing and valuation information to investors. There are substantial risks in investing in TDQOF. Persons interested in investing in TDQOF should carefully note the following:

- **Speculative Investment. High Degree of Risk.** TDQOF represents a speculative investment and involves a high degree of risk. An investor could lose all or a substantial portion of his/her investment. Investors must have the financial ability, sophistication/experience and willingness to bear the risks of an investment in TDQOF. An investment in TDQOF should be discretionary capital set aside strictly for speculative purposes.
- **Only Qualified Persons May Invest in TDQOF.** An investment in TDQOF is not suitable or desirable for all investors. Only persons who qualify as "accredited investors" and "qualified purchasers" may invest in TDQOF.
- **No Review or Approval by Regulators.** Neither TDQOF'S offering documents, nor the offering of its limited partnership interests, have been reviewed or approved by federal or state regulators.
- **Portfolio Funds May Employ Investment Techniques Which Increase TDQOF'S Risk of Loss.** Portfolio funds may employ leverage (including high levels of leverage) and other investment techniques that may increase the volatility of TDQOF'S performance and increase its risk of loss.
- **An Investment in TDQOF Will Be Illiquid. No Secondary Market for TDQOF'S Limited Partnership Interests Exists.** An investment in TDQOF will be illiquid and there are significant restrictions on transferring interests in TDQOF. There is no secondary market for the limited partnership interests of TDQOF and none will be expected to develop.
- **Limited Operating History.** TDQOF commenced operations in May 2023 and, as a result, has a limited operating history.
- **Sub-adviser Has Sole Discretion Regarding Allocation of TDQOF'S Assets.** Talson Capital Management LP ("Talson"), the sub-adviser of TDQOF, has sole discretion regarding the allocation of TDQOF assets to portfolio funds.
- **Possible Concentration.** TDQOF may invest in a limited number of funds, which could result in a limited degree of diversification and higher risk.
- **Reliance on Expertise of Fund Managers.** In light of its multi-manager investment strategy, TDQOF will effectively rely on the trading expertise and experience of third-party investment managers (i.e., the investment managers of funds to which TDQOF allocates its assets). The identity of such investment managers may not be disclosed to investors.
- **Complex Tax Structure.** TDQOF involves a complex tax structure, which should be reviewed carefully.
- **Possible Delays in Reporting of Tax Information.** TDQOF'S investment strategy may cause delays in important tax information being sent to investors.
- **Advisory Fees May Be Substantial. Multiple Levels of Advisory Compensation.** The advisory fees of TDQOF and its portfolio funds – which may, in the aggregate, be substantial regardless of whether TDQOF has a positive return – will offset TDQOF'S profits. Investors will effectively pay two levels of advisory compensation: (i) the advisory compensation payable to the Investment Manager, Sanchez Capital Management LLC ("Sanchez"); and (ii) the advisory compensation payable to managers of TDQOF'S portfolio funds.
- **No Requirement to Provide Pricing or Valuation Information.** Neither TDQOF nor any portfolio fund is statutorily required to provide periodic pricing or valuation information to investors.
- **Talson and Sanchez'S Management of TDQOF Involves a Number of Potential Conflicts of Interest.** There are a number of conflicts of interest or potential conflicts of interest in connection with Talson'S and Sanchez'S management of TDQOF.
- **This General Investment Fund Risk Disclosure is Not Complete.** The above summary is not a complete list of the risks and other important disclosures involved in investing in TDQOF and is subject to the more complete disclosures contained in TDQOF'S Private Offering Memorandum (and the exhibits thereto), which must be reviewed carefully.
